Gloucester County Christian Home Schoolers Association is proud to sponsor the Creation Seminar by **Mission Imperative**. Founded in 1995, Mission Imperative is a ministry that teaches Creation through seminars that promote Creation theory over Evolutionary theory. They educate people regarding the whole topic of the Biblical creation model, which includes the fall of man, the flood of Noah's day (including its causes & effects!), the events at Babel, the importance of the Genesis record, etc. This seminar will be informative, thought provoking, and enjoyable!!

The Creation Seminar will run April 30th through May 1st at Fellowship Bible Church, 590 Jackson Rd, Sewell, NJ.
